The screen is titled "Edit Tags" and features a "Back" button in the top left corner. Below the title, there are two input fields: "Tag Type:" with a dropdown menu showing "Select" and a blue downward arrow, and "Tag Value:" with a text box containing "Type". Under the heading "Add:", there is a "New Tag :" label followed by a text box containing "Type" and an "Add" button. A "Done" button is located in the bottom right corner. A horizontal arrow points from the left towards the "Back" button, and a vertical arrow points downwards from the "Done" button.
